

## **ADMINISTRATIVE RECORD INDEX FOR RECONSIDERATION OF THE VENTURA COUNTY MS4 PERMIT**

**May 5, 2010**

The following list constitutes the supplemental documents, references, evidence, exhibits and materials relied upon by Regional Board staff in modifying the tentative permit that will be considered by the Regional Board on July 8, 2010. The list of documents identified here is without prejudice to the addition of further materials as may be necessary, or to respond to comments and testimony, or inquiries prior to or at the hearing. Please be advised that the administrative record for this Regional Board action incorporates by reference the entire administrative record for the Regional Board's adoption of Order No. 09-0057 on May 7, 2009. Documents may be inspected and/or copied from the files of the Regional Board pertaining to this matter by contacting Sandra Kelley, during business hours, by phone at (213) 576-6619 or via e-mail at [skelley@waterboards.ca.gov](mailto:skelley@waterboards.ca.gov). Relevant portions of these materials will be present at the hearing. If there are any specific materials that any party would like staff to bring to the hearing, the party should identify the documents with specificity and by the deadline specified in the Notice of Public Hearing for this matter. The documents identified on this list, whether present at the hearing or not, will be incorporated into the administrative record for this matter.<sup>1</sup>

- All timely comment letters and evidence received by the Regional Board pertaining to this reconsideration
- Staff's Response to Comments (when it becomes available)
- Hearing transcript for the July 8, 2010 Regional Board meeting (when it becomes available), and any other Board Meetings during which the consideration of this matter may take place
- Speaker cards and other similar materials recording presence, participation, or testimony at the hearing
- Other documents, references, and materials identified in the following table.

---

<sup>1</sup> The Administrative Record is deemed to include all legal authorities be they constitutional, statutory, or regulatory (including precedential decisions of the State Water Resources Control Board, State Policy for Water Quality Control, and Regional Water Quality Control Plans) that are applicable to this proceeding without regard to whether they are identified on this index or specifically referenced prior to or during the hearing.
